About This Property

Listing Office: The Network Real Estate Group

Public Remarks: Tucked back in a quiet area, this well maintained twinhome leaves a buyer having to do nothing but move in!. The main floor features a large open floor plan with kitchen, dining and living room which leads out to a spacious covered deck area, fully fenced in yard with shed and garden spot. Downstairs offers another huge family room with daylight windows, 2 more bedrooms with egress windows, full bathroom and a huge storage/utility room! The oversized two car garage offers plenty of room for storage.
